

ENDER'S GAME

The background is a solid dark teal color. Overlaid on this are several thin, light-colored lines. Two long, straight lines intersect at the center, forming an 'X' shape that extends towards the corners. A large, thin, light-colored ellipse is oriented horizontally, passing through the center. In the middle of the cover, there is a small, intricate knot-like pattern formed by several overlapping loops. To the right of this knot, a line extends from the right edge of the cover, ending in a stylized, light-colored arrowhead pointing towards the center.
